ROCK ISLAND'S BIG QUALITY STORE

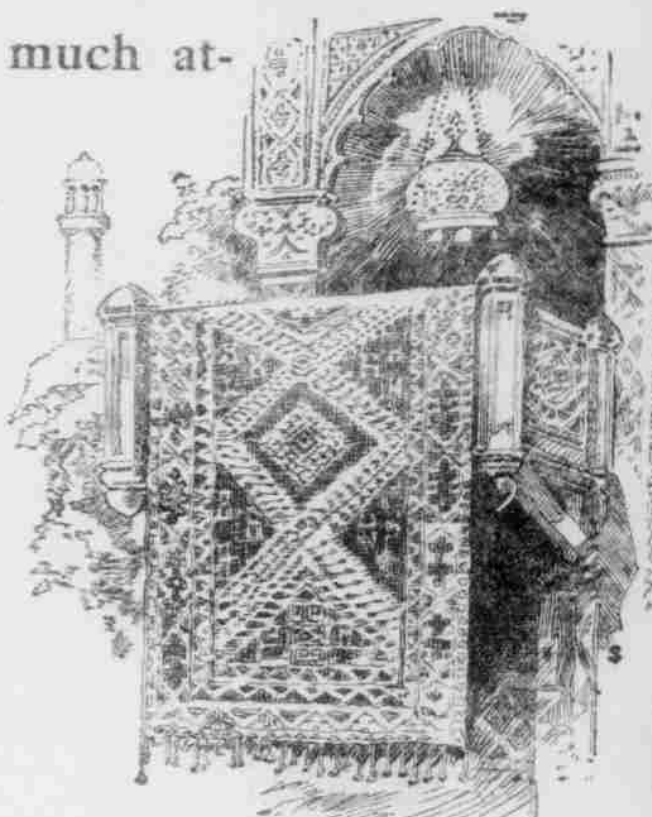

## Curtains - Draperies - Rugs Are Now Most Moderate in Price

In no department of the retail business is there quite so much attempt at misrepresentation as in the selling of Rugs.

In saying this we do not want to be considered as "muck-rakers" or including several reputable concerns in the Tri-Cities, whose word is as good as a bond, but shoppers should know the actual conditions as we know them to exist in many stores.

When these facts are known then shopping for the "cheapest" rugs will cease and buyers will simply choose the best rug, buying from the best firms and know that they are obtaining full value.

It is unnecessary to state that our Rug Section offers to those who desire unquestioned quality, a line of Rugs which, although not "cheap" they are priced as low as dependable quality will warrant.

## Pimples and Skin Eruptions Danger Signs of Bad Blood

It May Mean Eczema, Scrofula—The First Sign of Inherited Blood Disease

Pimples, scaly itching skin, rashes, burning sensations and Scrofula denote with unfailing certainty a debilitated, weakened and impure state of the blood. The trouble may have been in your blood from birth, but no matter how you were infected, you must treat it through the blood. It is a blood disease. You must use S. S. S., the standard blood tonic for 50 years. If you expect certain relief. For purifying the system, nothing is equal to it. The action of S. S. S. is to cleanse the blood. It soaks through the system direct to the seat of the trouble—acting as an antidote to neutralize the blood poisons. It revitalizes the red blood corpuscles, increases the flow so that the blood can properly perform its physical work. The dull sluggish feeling leaves you—the complexion clears up. Even long standing cases respond promptly. But you must take S. S. S. Drugs and substitutes won't do. Get S. S. S. from your druggist. If yours is a special case and you need expert advice, write to S. S. S. Co., Atlanta, Ga.
